

LEAF Open Farm Sunday 12 June 2011

Come and join us at this year's LEAF Open Farm Sunday being held at The James Hutton Institute's Dundee site (formerly SCRI) on **12 June 2011, 11am - 4pm.**

- Tractor tours
- Farm machinery
- The Living Field
- Fun with science
- Serious science for grown ups
- Special Guest Heather 'The Weather' Reid

The James Hutton Institute
Errol Road Invergowrie Dundee DD2 5DA

Come along and spend a day on the farm, discovering how we grow our food.

Children can sit on our farm machinery, discover a world of plants and food and learn what it will take to make farming sustainable. Discover our Living Field and meet some exciting guests!

A great day out for all the family.
